

OUR MISSION and VALUES

To enable individuals and businesses realize their full potential by implementing the right pedicab/vehicle solution.

Delivering on our mission and values:

- With honesty and integrity
- Open and respectful with customers, vendors and others
- Passion for customers, partners, and technology
- Willingness to take-on the challenges and see them through
- Accountable for all commitments, results, and quality

The Effective Date of the revised document is December 23, 2008.
